

**NOTICE OF EMERGENCY CHANGES
TO THE 2013 UTAH BIG GAME GUIDEBOOK
ESTABLISHED BY THE WILDLIFE BOARD
FOR TAKING BIG GAME**

I, Gregory Sheehan, by authority granted in Section 23-14-8 of the Wildlife Resources Code of Utah, declare an emergency amendment to the 2013 Utah Big Game Guidebook. The following has been amended:

SOUTH SLOPE, DIAMOND MTN./VERNAL HUNT #6009 (Moose) (Daggett and Uintah Counties)

- Effective September 9, 2013 the boundary on the South Slope, Diamond Mtn./Vernal unit has been amended to include a portion of land located between the Whiterocks River and the Paradise Park road.

When the boundary changes were presented to the Wildlife Regional Advisory Councils and to the Wildlife Board last fall a section of land between the Whiterocks River and the Paradise Park road was inadvertently left off of the unit boundary map for moose. The boundaries were presented correctly for deer and antlerless elk with the adjoining units (South Slope, Yellowstone and South Slope, Vernal) also being correct. This amendment will place the land between the Whiterocks River and the Paradise Park road into the South Slope, Diamond Mtn./Vernal unit.

Except for other emergency changes made since January 1, 2013 all other rules established in the 2013 Big Game Guidebook remain in effect.

UTAH DIVISION OF WILDLIFE RESOURCES
